GRATEFUL AND COMPORTING.

"By a thorough knowledge of the natural laws which govern the operation of digestion and nutrision, and by a careful application of the fine properties of well selected cocoa, Mr. Epps has provided our broakfast tables with a delicately flavored beverage which may save us many heavy decions' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until atrong enough to resist every tendency to disease. Huntireds of subtle maladies are licating found us ready to attack whorever there is a weak point. We may escape many a fatal shaft by keeping carelyee well fertilled by nure blood and a properly nourished frame."—Civil Service Gazotte. State simply with boiling water or milk.
